

Friends of Greater Lansing Dog Parks

The **Friends of Greater Lansing Dog Parks** is an all-volunteer non-profit organization made up of dog lovers just like you.

We are working very hard to develop a safe, fun, leash-free park where our canine friends can romp, play and socialize in a natural outdoor area. It will be completely fenced with a double-gated entry safely confining the dogs and separating them from the general public.

The Friends of Greater Lansing Dog Parks is sanctioned by the City of Lansing Parks and Recreation Department.

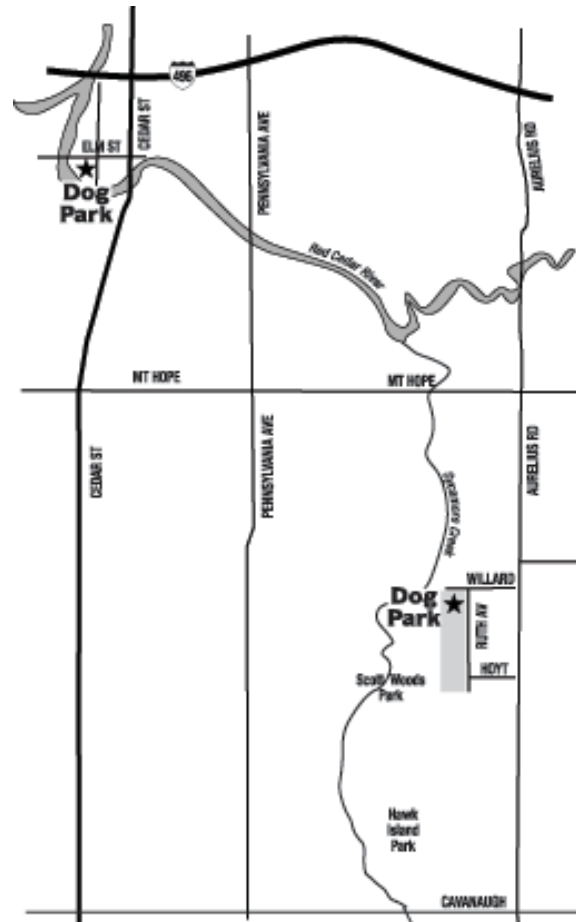

The park is to be located on the east side of Scott Woods Park in east central Lansing (see map at right). It is 17.5 acres that is a mix of wooded and open areas and includes a large pond. It will be accessible from the adjacent Hawk Island County Park.

There will be rules governing park use. They have not been finalized but will address such things as vaccinations, behavior of dogs and owners, limiting small children and the number of dogs a person can bring at one time.

The park belongs to the City of Lansing but improvements (fencing, connecting to water, benches, etc.) will be paid for by Friends of Greater Lansing Dog Parks.

The Scott Woods location will need to be completely fenced (6' chain link). All donations will go directly toward equipment, supplies and materials used in developing and maintaining the Greater Lansing Dog Parks.

Your help is welcome in any area. Volunteer on the member application or e-mail us at info@lansingdogparks.com.

Membership Application

Name _____
 Address _____
 City _____
 State _____ ZIP _____
